

HOUSTON GRADUATE CHAPTER

KAPPA PSI PHARMACEUTICAL FRATERNITY, INC.

Grand Council Convention

GCC was fantastic this year and it was great to be able to meet up with brothers in Naples! Houston Grad was awarded the 10th Best Graduate Chapter. We will strive to remain engaged and supportive of the collegiate chapters in Houston, Delta Delta and Delta Theta. Thank you to all of the Grads for coming out to the socials/events and for the continuous support of the collegiates!

Hurricane Harvey

The brothers of Houston Grad are deeply humbled for the thoughts and support during the aftermath of Hurricane Harvey. Weeks after the hurricane, brothers continuously volunteered their time at the temporary shelters in the George R. Brown Convention Center and the NRG Stadium in Houston.

Carnation Bowl

In support of the collegiates' annual Carnation Bowl, Grad brothers came out to have a friendly game of flag football - Delta Delta versus Delta Theta. A great time was had by all. After the game concluded, brothers enjoyed a nice barbeque at the park.

Delta Delta Rush Events

Many of the graduate brothers attended Delta Delta rush events in the fall, which included informational sessions, socials, and functions. The annual Grad Rush barbeque (turned into game night due to weather) was a blast! It was nice to have the collegiates and grad brothers join in fellowship as new prospects were getting to know everyone.

Kappa Psi Skate Party

We also had our first social of the year: a Kappa Psi Skate Party. It was a great time reuniting with our brothers and having a little fun during this busy time of year.

George R. Brown Annual Christmas Eve Feast

Every year the George R. Brown Convention Center opens its doors on Christmas Eve to give the less fortunate of the Houston area a Christmas dinner as well as some Christmas joy! Brothers volunteered at this event greeting and serving the guest to help with wishing them happy holidays.

Star of Hope Women's Meal Service

The Star of Hope is one of Houston's largest communities to support the homeless men and women of Houston. Brothers volunteered with meal preparation and serving of meals to the women and their children who live in the community.

Southwest Province Fall Assembly

The Fall Assembly was hosted by Epsilon Epsilon in Corpus Christi, TX. The weekend was a great mix of business and fellowship: casino night, relaxing time at the beach, and multiple prizes for raffles! The Spring Assembly will be in Norman, OK - hosted by Delta Beta. See everyone there!
